一 学校简介

PART 1 School Introduction

四川航天职业技术学院是经国家教育部、四川省人民政府批准,面向全国招生的公办全日制普通高等院校,是四川省教育厅、四川省国防科工办、四川航天管理局三方共建的四川省示范性高等职业院校,是四川省优质高职院校建设单位,被纳入四川省"双一流"建设计划,是国家级高技能人才培训基地。

Sichuan Aerospace Vocational College (SAVC),approved by Ministry of Education of China and Sichuan Provincial People's Government, is a public full-time institute of higher learning enrolling students from all over the country. It is one of Sichuan's demonstrative vocational colleges jointly established by Education Department of Sichuan, SIchuan Province National Defense Science and Technology Industry Office, Sichuan Academy of Aerospace Technology; it is a training base of highly-skilled professionals on a national level.

世界教育资源触手可及

Access to world educational resources

The international cooperation of SAVC mainly includes international cooperative education programs and cultural exchange programs, scale and influence of which are in leading position in Sichuan province. Our international cooperation network covers 35 universities and institutions in 15 countries and regions. With rich cooperative resources and strong international influence, SAVC has played a good demonstration and leading role among similar vocational colleges.

我们不仅引进海外知名专业外教,为学生提供原汁原味的国际化专业课程,同时积极搭建桥梁,把怀揣着留学梦想的航天学子送往海外。

We not only introduce well-known overseas professional teachers to provide students with authentic international courses, but also actively build bridges to send students with dream of studying abroad to foreign universities.

二 国际合作发展历史沿革

PART 2 Major Events of International Development

2004

- •与俄罗斯新西伯利亚国立科技大学签订战略合作协议
- Signing a strategic cooperation agreement with Novosibirsk State University of Technology, Russia

2005

- 与法国德莫斯教育集团签订合作协议
- •组建中法定向培训班,实现学生赴法国空客就业
- Signing a cooperation agreement with French Demos Education Group
- Setting up a Sino-French orientation training class to create opportunities for students to work in Airbus, France

2006

- 出访俄罗斯新西伯利亚国立科技大学
- Visiting Novosibirsk State University of Technology in Russia

2007

- 赴加拿大不列颠哥伦比亚理工学院访问学习
- Visiting British Columbia Institute of Technology in Canada

2008

- •与新加坡义安理工学院<mark>签订海外交流计</mark>划
- 启动新加坡留学生"中华文化之旅"短期交流项目
- Signing an overseas exchange agreement with Singapore Ngee Ann Polytechnic
- Launching a short-term exchange program of "Chinese Cultural Tour" for Singapore students

2009

第一批新加坡义安理工学院<mark>留</mark>学生到校交流学习
Accepting the first group of international students from Ngee Ann
Polytechnic to our college

- 2010
- ●启动学生赴台研修、台湾交换生"巴蜀文化之旅"短期交流项目
- Signing a letter of intent for educational cooperation with Taiwan Shu-Te University
- Initiating study program in Taiwan and short-term exchange program of "Bashu Cultural Tour" for exchange students from Taiwan

2011

- •第一批学生赴台研修
- Sending the first group of students to Taiwan for study

2012

- •与澳大利亚博士山学院签订合作意向书
- •与澳大利亚技能理工学院签订合作意向书

与台湾树德科技大学签订教育合作意愿书

- Signing a letter of intent for cooperation with Box Hill Institute, Australia
- Signing a letter of intent for cooperation with Australian Technical Institute of Technology

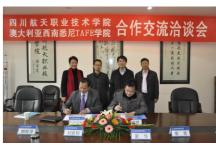

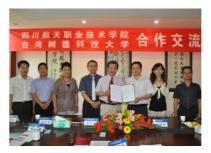

2013

- 成功申报物流管理、数控技术两个中澳合作办学专业
- 赴美带薪实习项目启动第一期
- Successfully establishing 2 Sino-Australian cooperative education programs in the field of logistics management and engineering technology
- Sending the first group of students to the US for paid internship program

2014

- 中澳物流管理专业首届招生
- The enrollment of the first class of students majored in Logistics Management of the Sino-Australian program

2015

- 中澳数控技术专业首届招生
- 首次引入专职外籍语言教师
- The enrollment of the first class of students majored in Engineering Technology of the Sino-Australian program
- Introducing full-time foreign language teachers

2016

- 与意大利库内奥美术学院签订合作框架协议
- •建成澳大利亚师资培训基地
- •中澳物流管理专业首届学生毕业
- Signing a cooperation framework agreement with the Cuneo Academy of Fine Arts, Italy
- Establishing an Australian teacher training base
- Graduation of the first class of students majored in LogisticsManagement in Sino-Australian program

2017

- 与澳大利亚技术和继续教育委员会签订合作备忘录
- ●与澳大利亚本迪戈坎培门理工学院签订合作协议
- Signing a memorandum of cooperation with TAFE NSW
- Signing a cooperation agreement with Bendigo Kangan Institute, Australia

2018

- 成功申报数字媒体应用技术中意合作办学专业
- ●新加坡留学生"中华文化之旅"项目十周年
- 第一批台湾树德科技大学学生到校交流学习
- Successful applying for Sino-Italian cooperative education program in the field of digital media application technology
- The 10th Anniversary of the "Chinese Cultural Tour" Program
- Accepting the first group of students from Taiwan Shu-Te University to our college

- •成功申报汽车检测与维修技术中德合作办学专业
- 中意数字媒体应用技术专业首届招生
- 开通海外升学渠道
- ●与德国GFM教育集团签订框架协议,开拓学生赴德实习、就业渠道
- Successfully applying for the Sino-German cooperative education program in the field of automotive inspection and maintenance technology
- The enrollment of the first class of students majored in Digital Media Application Technology of the Sino-Italian program
- Creating pathways for students to upgrade educational backgroud overseas
- Signing a framework agreement with the German GFM Gruppe, creating pathways for students' internship and employment in Germany

2020

2019

- •与新加坡帝国教育集团签订合作协议,启动赴新带薪实习项目
- Signing a cooperation agreement with the Singapore Empire Education Group to start a paid internship program in Singapore.

三 国际化专业建设

PART 3 International Education Programs

中澳合作办学项目 Sino-Australian Cooperation Program

◆ 物流管理专业 Logistics

◆ 数控技术专业 Engineering Technology

与澳大利亚博士山学院联合举办,2014年首届招生。中澳共建人才培养方案,引入澳大利亚TAFE职业教育标准、教学管理模式和质量评估体系,课程融入30余门澳方核心教学模块及配套原版教材,中外骨干教师共同执教,澳方专业教师年均授课量超1000课时。

The two programs were established by SAVC and Box Hill Institute in Australia in 2014. The training plans were jointly developed by both schools, introducing Australian TAFE educational standards, teaching management mode and quality evaluation system; more than 30 BHI core teaching modules and supporting original textbooks were integrated into the curriculum; The teaching team consists of Chinese teachers and Australian teachers, the latter teaching more than 1000 class hour per year.

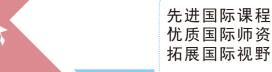

中澳双文凭毕业 国内外均可专升本

Dual diplomas; opportunities for educational background upgrade both at home and overseas.

定制化英语教学 全程外教讲授 轻松提升英语能力

Customized English courses delivered by foreign teachers

Advanced international courses; international teaching team; expanding international vision

14

国际化专业能力和英语 能力双重就业优势

Employment advantages of International professional competence and English ability

中意合作办学项目 Sino-Italian Cooperation Program

数字媒体应用技术专业 Digital Media Application Technology

与意大利库内奥美术学院联合举办,2019年首届招生。以库内奥美院艺术设计和三维设计等课程为载体,引入意大利设计教育理念和优质教育资源,融合学院信息类软件应用课程优势,培养兼具信息传播理论、数字媒体技术和设计管理能力的复合应用型国际化专业技能人才。

The program was established by SAVC and Cuneo in Italy in 2019. Basing art design and 3D design courses of Cuneo. The program introduces Italian design educational concept and high-quality education resources, integrating the advantages of information software application courses of SAVC, and cultivates application-oriented international professionals with compound knowledge of information communication, digital media technology and design management.

- ◆ 中意双文凭毕业,可申请赴意专升硕 Dual diplomas; opportunities for getting a master's degree in Italy
- ◆ 意大利设计领域名师执教,将艺术与技术紧密结合 Courses delivered by Italian design experts, closely combining art and technology
- ◆ 培养模式对标国际行业需求,就业面广阔
 Training mode consistent with international industry demand
- ◆ 语言外教全英文授课,摆脱英语"0"基础 Customized English courses delivered by foreign teachers

中德合作办学项目 Sino-German Cooperation Program

汽车检测与维修技术专业 Automobile Inspection and Maintenance Technology

与德国F+U职业技术学院联合举办,引入德国"双元制"培养机制,将德国汽车类职业模块化教学标准、中德合资汽车企业培训标准和流程融入教学,培养拥有国际化视野,熟悉国际职业标准,兼具中、德两国高级汽车维修技术理论水平和操作技能的复合型、应用型汽车维修、检测及管理高技能人才。

The program was established by SAVC and F+U Sachsen gGmbH in Germany in 2019. The program introduces German "dual system" training mechanism, integrating German automotive modular teaching standards, Sino-German joint automotive venture training standards and processes, and cultivates technical and managerial personnel who not only have compound knowledge of automobile maintenance, inspection and management, but also are familiar with international professional standards.

"双元制"培养模式 紧跟行业最新需求

"Dual system" training mode closely following the latest needs of the industry

可考取德国手工业协会 职业技能证书,全球认可度高

Opportunities to acquire Germany HWK certificates

工作情景教学 将企业实景搬进课堂

Working scenario simulation teaching method, making the classroom real workplace.

对标国际培养标准 就业优势明显 毕业可赴德培训就业

Training mode consistent with international industry demand; opportunities to work in German after graduation.

四 品牌交流项目

PART 4 Cultural Exchange Programs

赴美带薪实习项目

Paid Internship Program in the US

学生持J-1签证进入美国,在美企进行8-16周短期实习,在工作之余游历美国,了解当地风土人情,实习期满后获得实习证书。学生通过项目可获得国际化企业实习工作经验、提升职业技能和英语能力、拓展国际视野、增加就业优势。

Students enter the U.S. with J-1 visa for a 8-16 week short-term internship in American enterprises while traveling to learn about the local customs in their free time. Through the program, students can obtain internship experience in international enterprises to improve their professional skills and English ability, expand their international vision and increase their employment advantages.

"中华文化之旅" 短期交流项目

"Chinese Cultural
Tour" Shot-tern

Exchange Program

学院自2008年起每年招收2批次新加坡义安理工学院学生到校学习交流5周,开展各类文化、经济体验课程及文体交流活动。迄今共16批700余名新加坡学生来川到校。项目促进了中新青年人才文化交流,增进了新加坡青年对中国的了解。

The program is jointly established by SAVC and Ngee Ann Polytechnic in Singapore and has introduced more than 700 Singapore students to Sichuan since 2008. Two groups of Singapore students come to SAVC every year for 5 weeks of various cultural and economic courses and activities. The program has promoted the cultural exchange of young people between China and Singapore, and enhanced the understanding of Singapore youth to China.

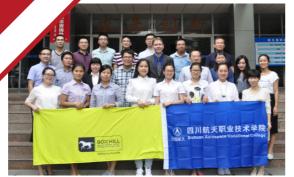

澳洲师资培训项目 Australian Teacher Training Program

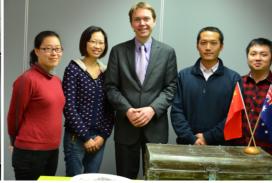

项目引入澳大利亚职业教育执 教资格培训体系,由博士山学院 首席培训导师团队全英文授课, 内容涉及课程设计、教学方法与 技巧、教师职业生涯发展规划 等。参培教师完成课程学习和相 应考核后,可获得澳大利亚职业 教育执教资格四级证书。学院迄 今共26名教师获得该证书。

The program introduces the Australian vocational education teaching qualification training courses which are taught in English by the training experts of Box Hill Institute in Australia.

The training session covers curriculum design, teaching methods and skills, teachers' career development planning, etc. After completing the courses, teachers can obtain Certificate IV in Training and Assessment and are qualified to teach TAFE courses. So far, 26 teachers of SAVC have obtained the certificate.

学生以插班形式进入树德科技大学进行为期4个月的学习。学习内容以"个性化定制课程+文化体验+世界通用证照考试"为主,学生通过科目考核课可获得研习证书,并抵扣相应学分。

Students can apply to go to Shu-Te University in Taiwan for a 4-month study featuring personalized courses, special cultural experience and opportunity to acquire licenses that are globally recognized. Students can obtain the study certificate and deduct corresponding credits of SAVC after passing the course assessments.

五、风采展示 PART 5 Highlights
